

To Our Dear Valued Customer,

We regret to inform that Tech Powder Coating Padstow Branch will be closing its branch operations at 90 Gow Street, Padstow, NSW 2211 effective date 31st August 2021. Our lease has expired, and the landlord has a Development Application for the premises to demolish and re develop. Due to the current challenging situation and restrictions, we have been unable to successfully find a new suitable local premises.

Our branch operations in the area will merged with our other Tech Powder Coating branch located at **22 Broadhurst Road, Ingleburn, NSW 2565**. Our Ingleburn branch will provide a faster and more comprehensive service with a larger facility, Batch, and Line operation with extra-large oven 3m x 9m, we also have Sandblast service available on premises as well as a large drive through yard with Dock. We are also approved as an accredited applicator with Dulux and Interpon Powders.

Our opening hours are 7.00am - 5.00pm Monday - Friday.

Your accounts and records will automatically be transferred to the Ingleburn Branch.

We will be taking orders and collection from Padstow until 31st August 2021.

Effective from 1st September 2021 all orders are to be delivered to Tech Powder Coating at 22 Broadhurst Rd, Ingleburn, NSW 2565. We will provide pick up and delivery of orders to local Padstow area 2 days a week.

We would like to take this opportunity to thank you for your loyalty and patronage of the company at Padstow through all the years, it has been a pleasure to do business with you. Please note that we will keep you posted should we find a new local to Padstow premises.

Please be advised of the following contact number for Ingleburn Branch **02 8317 2222** and **02 9790 8066**

Any enquiries regarding this matter be directed to this email address **info@techpowdercoating.com.au**

Kind regards,

Louie Rifai

Manager
